

MINUTE

File No.....

Folio.....

To..... S/C K.A. Loughrey (through OC Sov Coy)

Subject..... L1A1 EXPERIMENTATION

Reference: Your undated minute (attached)

1. As this project will involve a significant financial outlay, before I forward your request to the Commandant for approval I would require you to provide more details.
2. Please prepare a paper for consideration giving the outline of the concept, the advantages and disadvantages of the proposed weapon, technical implications, characteristics of the proposed weapon and any statements or articles from recognized authorities which would give weight to your arguments.
3. You should also include an artist's impression of what the weapon would look like.
4. Please have the paper typed and forward three copies to CO CSC
